The committee chosen by the Rockingham County delegation to examine the "Stratham Bridge," so called, and to hear the claims of all parties interested in the freeing of said bridge, have attended to their duty and report as follows:

That the County of Rockingham should take over said bridge, from the Towns of Stratham and Newfields, together with all assets and appurtenances belonging to the said bridge.

That said County of Rockingham shall not assume any part of the indebtedness of said bridge.

That this act shall not take effect unless the the Towns of Newfields and Stratham shall so vote at their next Town Meetings to ratify the same.

STATE OF NEW HAMPSHIRE—ROCKINGHAM, SS.

I hereby certify that the foregoing is a true copy of the records of the Rockingham County Legislative Delegation, held at Concord and Brentwood, N. H., during the session of the Legislature of 1907, transmitted to me by W. A. Hodgdon, Clerk of said Delegation.

CEYLON SPINNEY,
Clerk Rockingham County Commissioners.

Commissioners' Report.

As required by law, the Commissioners of Rockingham County herewith submit their report for the year ending December 31, 1907, together with the reports of the several county officials.

The Treasurer's report for the year ending December 31, 1907, shows that the county is in a prosperous condition financially.

The County has no floating debt. The bonded debt has been reduced $7,000, from $183,000 to $176,000, with cash on hand of $79,677.86, leaving the actual debt of the County December 31, 1907, $96,322.14, a net reduction of $16,467.58.

The appropriations were for the years 1905 and 1906, $100,400, for years 1907 and 1908, $93,000, a reduction of $7,400. We are much pleased that we have been able to decrease both the debt and appropriations.

Our institution at Brentwood is managed by Norman H. Bean and wife with the same earnestness and efficiency that has been maintained in the past. The crops last year were exceptionally good, as will be shown in the Superintendent's report.

Our herd of Holstein cattle is gradually increasing, having at the present time 26 registered animals, and will compare favorably with any like herd in the state.

The new laundry machinery has been installed by the Empire Laundry Machinery Co., and gives perfect satisfaction, both in efficiency and economy.

All the insane male patients have been transferred to the N. H. State Hospital, and the female patients will be taken there as soon as the State provides additional buildings for them.

We regret to announce the resignation of Mrs. Margaret S. Bean, for eleven years the efficient matron of this institution. She had the perfect confidence of the Commissioners, the good will of the inmates, and the esteem of the community.

We recommended in our last report that the State assume the support of the children at the Industrial Home, and a law was passed at the last session of the legislature, thereby relieving the County of this expense.

The court houses, jails and records building are in very good repair. We have not found it necessary to expend any large amount of money on any of these buildings in the past year.

At the last session of the Legislature the County acquired the Stratham-Newfields bridge. Nothing as yet has been expended for repairs, but it will soon have to be given serious consideration, as the Government deems it a menace to navigation on account of the present construction.

We trust that an effort will be made by the next delegation to have the State own and control this bridge.

We wish to thank Hon. Calvin Page for presenting to the County a large picture of the Japanese-Russian envoys taken in the Portsmouth Court House, at the reception tendered them by the Governor and other honorable representatives of the State. This picture has been hung in the Portsmouth Court House and is a valuable addition to the growing collection of pictures in this building.

We sincerely regret the death of Mrs. Ella L. Follansby, member of the State Board of Charities from this County. She was a most estimable and charitable lady and is not only a sad loss to the people whom she aided and counseled in their distress, but is a loss to the entire State. We, as Commissioners, have been benefited by her wide experience and wise counsel, and know full well her magnificent qualifications.

In conclusion we wish to thank all officials and citizens for their kindly assistance to us in managing the affairs of the County.

Respectfully yours,

CEYLON SPINNEY,
JOHN P. HARDY,
ABRAM HILLIARD,
Commissioners of Rockingham County.

Physician's Report.

Epping, N. H., January 1, 1908.

To the Hon. Board of Commissioners of Rockingham County:

In accordance with custom I submit the following report on the medical and sanitary conditions at the Almshouse, Asylum and House of Correction at Brentwood.

From January of last year to April there were here, as elsewhere, bronchitis, influenza and a few cases of pneumonia.

From May until November was an unusually long period of general healthfulness and freedom from surgical cases.

During November and December there came in one case of typhoid fever, one fracture of thigh, one fracture of arm, one dislocation of shoulder, of several weeks' standing, and three cases requiring operation. Of these one has been discharged and the others are convalescent.

The laundry has been refitted with a new washer, extractor and mangler, all driven by a small steam engine. The results before were very good, yet we believe they will be better now, and the saving in labor and time considerable.

In October, after more than ten years of faithful service, Mrs. Margaret Bean retired from the difficult and trying position of matron. It is impossible in words to represent how able, devoted and self-forgetful that service was or how much of aid, comfort and cheer she gave the unfortunates to whom she ministered and to us whose duty and pleasure it was to aid her. We can now only hope for her a long, well earned rest and the consciousness of duty well done.

Mrs. Norman H. Bean has assumed the duties of matron. Her success in every other position and results so far guarantee success in this department.

The comfort and good health of the inmates, the clean and orderly condition about the institution declare the zeal of the Superintendent, N. H. Bean, and the efficiency of those associated with him. To them all I am sincerely grateful for hearty co-operation in my work, and for many personal courtesies.

Respectfully submitted,

A. W. MITCHELL, M. D.

Chaplain's Report.

BRENTWOOD, N. H., January 16, 1908.

TO THE COUNTY COMMISSIONERS:

Gentlemen:—I cheerfully give my first report as Chaplain of the County Farm. I have conducted nine services in the chapel, endeavoring to make them lively and interesting. I have found that object lessons are specially well received and enjoyed. The attendance has been uniformly good. I have also had charge of two funerals, one of an infant of a few weeks, the other of a man of eighty years.

My engagement having begun on September the first, this report is for the short period of four months. My predecessor, George H. Nickerson, closed his term in August. He has left no report that I am aware of. But, if I am correctly informed, he attended faithfully to his duties as Chaplain until his departure from Brentwood. I hope, at the beginning of 1909, to chronicle more actual work accomplished during each third of 1908 than the foregoing report indicates for the last third of 1907.

This report is respectfully submitted,

J. DODD MATTHEWS.
